- I, Kia Jam, under penalty of perjury, state as follows:
- 1. I am an officer of Advisory IP Services Inc. ("Advisory"). I submit this affidavit in support of Advisory's Opposition to the Motion for Default Judgment filed by Plaintiff The Wimbledon Fund, SPC ("Wimbledon"). The following statements are made on my personal knowledge, and if called upon as a witness I could and would testify truthfully regarding same.
- 2. I have never seen a copy of the complaint, purportedly filed by Wimbledon on or about February 8, 2013 (the "Complaint"). I was first informed of the existence of the Complaint and the underlying lawsuit on June 12, 2013, by David Bergstein, Chief Executive Officer of Advisory. Until that date, I was totally unaware that Wimbledon had filed the underlying action against Advisory.
